This breeding contract is for the season of _____ (Feb. 1 to June 30)

Stud Fee \$500.00

Westerfeld's will ship semen from the above stallion as many times as needed during the stated breeding season. The first collection will be complimentary. Each additional collection will be \$100.00 collection fee plus shipping charges. All charges will be the Belgians. Collections of semen will be on Monday – Wednesday – Friday. Please notify Westerfeld Belgians by 11 a.m. (EST) when you need semen. Breeding contracts will be available through Crouch's. Please contact Crouches for a contract as soon as possible.

All expenses must be paid within 30 days of incurrence.

Prompt return of the shipping container will avoid charging a container deposit.

We will diligently try to settle your mare. You are guaranteed a live foal from this mating. Should the foal not "stand and suck," a return privilege will be granted to a mare of your choice in the next breeding season. Notification of the death of the foal should be within one week of the demise of said foal.

If the above stallion dies or becomes unfit for service, or if the mare dies, or becomes unfit to breed; this contract will become null and void.

We highly recommend a culture for any barren mare, or mare having difficulty foaling, or cleaning after foaling to alleviate any significant delays in successful breeding.

Responsibility for registering the foal from this breeding belongs to the mare owner. Registration papers shall be obtained from the Belgian Draft Horse Corporation of America. After you enter your information the form will be forwarded to Crouch's for them to enter the stallion owner's information, and send the completed form to the corporation for registration papers.

Mares will not be stalled at Westerfeld Belgians Farm.
